Dear Sir. Or Madam:

I received a Notice of Abandonment on 11/2006. The reason for the abandonment is applicant's failure to timely file a proper reply to the Office letter mailed on 04/18/2006.

However, this is a timely mistake. I spoke to the examiner before the Office letter mailed out and understood what the examiner wanted for my application. So I sent a reply to the examiner immediately. A few days later, I received this Office letter, which has the same content as my conversation with the examiner. I didn't pay attention to this letter, since I thought that I had already replied to the examiner. I spoke to examiner Mr. Patel recently. He agreed that he received my reply, but he did not read it at that time.

For this reason, please consider to withdraw the patent abandonment. Thank you in advance for your consideration!

Sincerely,

Henry H. Zhou
